

MIMI EMMANUEL'S HOLY GRAIL OF BOOK LAUNCHING

How to

FREE

CREATE
STRUCTURE
FOR YOUR BOOK
in 8 easy steps

MIMI EMMANUEL'S HOLY GRAIL OF BOOK LAUNCHING ©2016

How to
STRUCTURE YOUR BOOK

Template

There are various ways to structure or format your book. Below I list some common options and share the template that I use for all my books. There are more options available to structure your book but most writers use less. Few writers would select all of the options that are listed below but it is handy to have a quick reference guide of at least some of the most common choices that are available.

Below you'll find a short and a long version that you can copy and paste into your manuscript to guide you and help with the structure of your book.

MIMI EMMANUEL'S HOLY GRAIL OF BOOK LAUNCHING

SHORT VERSION TEMPLATE *(8 steps)*
